

Don't miss the opportunity to take part in Europe's biggest basketball event!

A call to join the team of volunteers for the European men's basketball championship in Lithuania has been issued. Basketball fans are presented with a unique opportunity to contribute to the success of "EuroBasket 2011" and work alongside top stars of European basketball.

This year between August 31 and September 18 one of Europe's biggest sporting events – the 37th European men's basketball championship – will take place in Lithuania. "EuroBasket 2011" will be held in six Lithuanian cities: Vilnius, Kaunas, Klaipėda, Šiauliai, Panevėžys and Alytus. For the first time, 24 of Europe's best basketball teams will participate in the championship.

To make this event successful the Lithuanian Youth Council (LiJOT) and "EuroBasket 2011" are looking for a team of volunteers. All basketball fans are welcome to submit their applications.

Do you want to volunteer at EuroBasket 2011?
